New motor vehicles ordered under fleet must be delivered to a Qualified Fleet Customer. In addition, vehicles must be registered and kept in fleet service in Canada by the first Qualified Fleet Customer for a minimum of six (6) months and 12,000 kms from the date of delivery.

By executing the Enrollment Form, the Fleet Customer certifies and agrees that no motor vehicles will be purchased or leased, directly or indirectly, for export, sale or use outside of Canada (excluding use related to occasional business and/or personal travel) and no such sale, use or export will occur. Fleet Customer also agrees that it will not induce, by any means, any dealer to breach the export and/or resale terms of their Dealer Agreement with GM Canada or any of the terms of this agreement and acknowledges that it will be responsible in damages to GM Canada and its affiliates for any such interference with the contractual terms between GM Canada and a dealer or any breach of this agreement.

Violation of this policy by a dealer or a Qualified Fleet Customer will result in a chargeback to the dealer or Qualified Fleet Customer and may include dealer or Qualified Fleet Customer or both being disqualified from further participation in fleet programs. In the event of such a chargeback to the dealer, the Qualified Fleet Customer agrees to reimburse the dealer.

Additional customer eligibility requirements for specific fleet programs, as issued by GM Canada to its dealers from time to time, will be made available to Qualified Fleet Customers by the selling Dealer as required. The Qualified Fleet Customer further agrees to provide, upon request by GM Canada or the selling Dealer, access to original business records confirming that vehicles were registered, used and transferred only in accordance with GM Canada program requirements. In the event (1) a Qualified Fleet Customer orders new motor vehicles from a dealer and identifies them as fleet units eligible for GM Canada fleet programs, and (2) the vehicles are not used by Qualified Fleet Customer in accordance with program requirements, GM Canada will take appropriate action, which may include the disqualification of the Qualified Fleet Customer and/or dealer from future participation in fleet programs, and the issuance of a chargeback against the dealer and the Qualified Fleet Customer for any special allowances, incentives, special option packages or other promotional programs which GM Canada paid or credited to the dealer or identified Qualified Fleet Customer as a result of inaccurate representations. In the event of such a chargeback to the dealer, the Qualified Fleet Customer agrees to reimburse the dealer.
